Hello March & My Friends!

I apologize for the delay of this Newsletter.
Not enough hours in the day to get things done...

March is the first month of spring!

It comes in like a lion and out like a lamb... As the old saying goes! Though we are very fortunate that our weather here in northern Florida is mild we have had our share of chilly weather and we welcome the beautiful blue skies and sunny warm weather ahead!

As the days begin to get longer and the flowers and shrubs start to bloom, we welcome spring with open arms!

♥ Valentine's Day came and went in a flash! ♥ I do hope that you all gave some tender, loving care to your most cherished MG'S and of course, most importantly your loved ones!

I would like to thank all of our wonderful members who attended the January monthly meeting ! We had a tremendous turnout in attendance, approximately 35 people including two new members that joined and their spouses. This is an outstanding number and hoping that all your enthusiasm continues to remain strong so we can continue building going forward. To our New Members... I am wishing you a very warm welcome to our club and hoping our camaraderie and friendship adds a bit of fun to life's adventures!

Our January meeting was held at a new location for us, DONOVAN'S IRISH PUB in Saint Augustine! It was a great atmosphere and we were fortunate that they were able to give us a separate large area to conduct our meeting. I think everyone enjoyed the setting plus the yummy food they served too!

We discussed many different things at our meeting, but focused mostly on the topic of our upcoming important GOF SOUTH 2025 EVENT IN GAINESVILLE, FLORIDA at The Best Western Gateway Grand Hotel ★ APRIL 24th - 27th ★

Our club, MG CLASSICS OF JACKSONVILLE is the Host for this year's 59th Annual "GATHERING OF THE FAITHFUL" event! It is imperative that we put in as much energy and effort into making this annual event the Best it possibly can be!

I know that the GOF website opened up for registration later than normal, with a few initial glitches, but it has been running very smoothly this past month, thank goodness!

Both Salena and I are happy to receive phone calls from anyone having questions or problems with signing up on the website. We are always available to help and take your calls! It has been interesting speaking with new fellow MG enthusiasts who have called and have had some lovely conversations... it is been wonderful to hear their enthusiasm and excitement in their voices about joining the GOF Weekend Celebrations this year!

On a Positive Note.. I am pleased to report that we now have 46 registrants! It is a slow process and we are doing all that we possibly can by sending E-mail Blasts and posting on Social Media - many different Facebook pages/Club pages. Plus we are on the NAMGAR website and will be in their upcoming magazine, NAMGBR website, MGT Register Website, MOSS MOTORING Website, & The MG EXPERIENCE Website! Sadly out of the people who have registered, only 11 people have registered from our club.

MARCH 22 FARM DAY AT PENNY FARMS

On March 22, the town of Penny Farms will be putting on their annual farm day. We have been asked for the second year in a row to come participate. Penny Farms is a senior living center, first conceived back in the 1920s by the owner of JCPenney department stores. This is an informal drive with no awards given. A great chance to just share and show our British Beauties to the residents of the community.

They will also have some vendors, tents with food and items to buy... A lovely peaceful day just to hang out and have lunch with friends from our club! We will be meeting in the morning PROMPTLY AT 9:30 AM in the big parking lot COVE PLAZA at the intersection of Route 17 and Route 16. We will then caravan to the town of Penny Farm, which is about a 10 to 15 minute drive.

Please let us know if you will join us!

APRIL 5TH BRITFEST

The next major event is April 5! The 40th annual BRITFEST, which is held at Henry's Depot in Sanford Florida! This is an all British car show which last year had over 120 British cars. It really is a fabulous show!

If you wish to attend, please go to our website under event calendar and click on the date for April 5... This will take you to the registration page.

Last year I went with about six or seven of our members, we left Jacksonville at approximately 6 AM in the morning and arrived in Sanford around 8:30-9 AM
